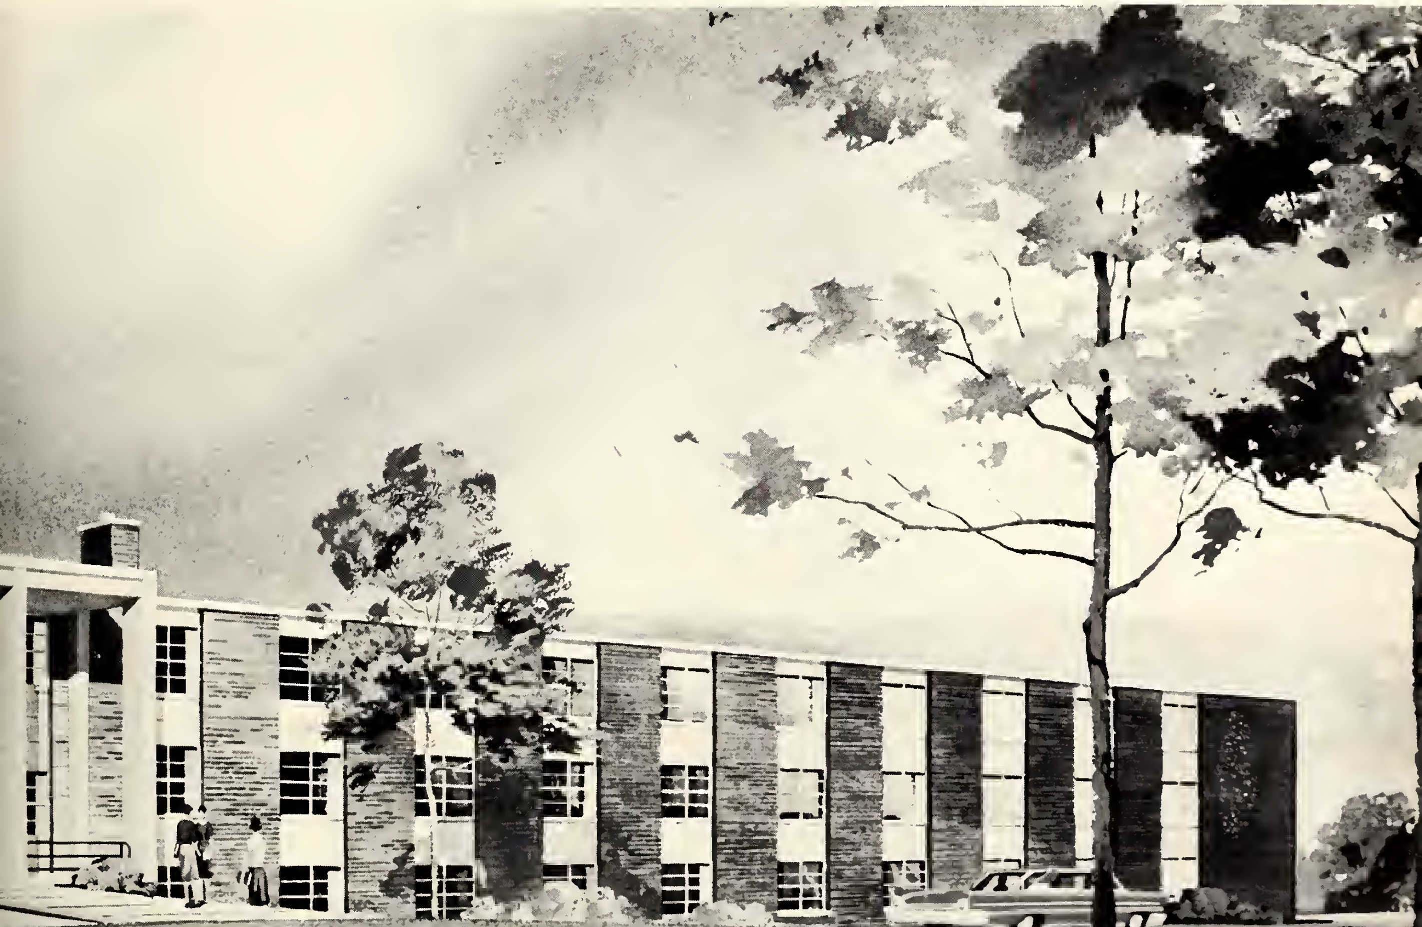
President Church Breaks Ground for Friend Hall



Professor A. K. VanScoy

DEDICATION

To A. K. VanScoy, head of the Department of Physics of Potomac State College, for a lifetime of service to education, the 1963 **Catamount** is dedicated.

"A. K.", as Professor VanScoy is affectionately known, has contributed much to the growth of his adopted community, and to the training of young men and women who enter his classroom he has been a constant inspiration, and his students have considered it a privilege to know him.

"A. K." is a superb teacher, understanding and capable, and his devotion to true scholarship has gained the respect and admiration of his fellow teachers and students.

"A. K." Ponders the Question

ADMINISTRATION AND FACULTY

Dr. Ernest E. Church
PRESIDENT

One hundred years ago, out of the distress and bitterness of civil strife, West Virginia became the thirty-fifth state to be admitted to the Union. Nineteen hundred sixty-three marks one hundred years of growth and development from infancy to the full stature of statehood! Probably the greatest force in this development has been the contribution of our schools, colleges, and universities, for without an enlightened citizenry there cannot be a progressive and enlightened state. Potomac State, as a member of the family of colleges, salutes West Virginia in this centennial year. Even as THE CATAMOUNT strives for greater excellence each year, so the college pledges its best efforts in building a better and a brighter future for the proud state of West Virginia.

We join the State of West Virginia in celebrating its centennial. As citizens, we will be watching with interest a review of the events which have been responsible for its growth and development. We are assured that the leadership of well trained men and women has been responsible for its status today. Many of these leaders are the product of our educational system.

Potomac State College is proud of her many alumni who have been a part of this development. She, too, during the past sixty-one years, has grown from a preparatory school to the one and only full fledged junior college in West Virginia which is state supported.

Depicted in this 1963 CATAMOUNT are many students who will lead our state tomorrow — "Montani Semper Liberi!"

Mr. Kirkland S. McKee
DEAN

Mr. David G. Nuzum
DIRECTOR OF STUDENT AFFAIRS

West Virginia's Centennial Year marks a century of progress. The Mountaineer State may be said to have seceded twice: "with" and "from" Virginia. West Virginia in 1963, girded for action, promises the nation to exhibit continual economic and social growth. The sesquicentennial birthday of A.D. 2013 prompts the prognostication that Potomac State, while remaining a junior college, will have a student body of 3000, the two years of higher education being given gratis by the state.

The office of Director of Student Affairs, in providing the mortar to stabilize the verities of scholastic endeavor, strives to deepen character integrity and to be the proverbial grindstone by which students sharpen intellectual, social, and moral judgment.

As we celebrate the centennial of our state and complete the sixty-first year of our college, tribute is paid to women who have contributed to the success of both.

Women have had the opportunity of higher education, mainly during this century. College records reveal that they have merited this recognition by academic excellence and valuable service in every phase of college life. Further research shows that they have utilized their training effectively in home, community, state, and nation.

May West Virginia's motto, "Montani Semper Liberi," be the guide for greater achievements by Potomac State women as they strive to meet the responsibilities which accompany freedom.

STUDENT COUNCIL

The Student Council, governing order of the Student Body, supervises student activities, promotes school spirit, and develops a close relationship among the students and faculty.

A welcome committee greeted the student upon his arrival on campus and helped him to locate his quarters in the dormitory. Traditions were explained, and Freshmen Rules were inaugurated. In order to raise funds for athletic awards the Council sponsored the Homecoming Dance and the May Day Ball. It prepared and sold printed programs for home football games and sponsored the sale of freshmen "beanies" to promote school spirit. The Council served as hosts when high school seniors came to campus on High School Visiting Days. The Council provided guides and escorts on Parents Day in the fall.

Students look to the governing body to serve as a liaison between them and the faculty. Suggestions for making campus life more attractive originate with the Council and are taken to the college administration for final approval.

CATAMOUNT

Among the pages of the 1963 CATAMOUNT are photographs depicting campus life. We, the staff of this twenty-fifth edition, hope to recapture and retain for you many memories of your days at Potomac State College. In this yearbook are photographs of two years of striving and achievement. We hope that events recalled and held dear will be of significance to all students.

As the college and state grow, so does the CATAMOUNT. We are proud to commemorate the twenty-five years of our yearbook. The 1963 CATAMOUNT, consisting of one hundred fifty-eight pages, is the largest volume yet produced.

THE PASQUINO

Dr. Elizabeth Atwater
Faculty Advisor

The college newspaper, the **Pasquino,** is completing its 41st year of supplying the campus and the public with news of Potomac State College. The fortnightly publication's staff includes all journalism majors and a number of volunteers from the student body.

In addition to being distributed on the campus to students, faculty members, and the college staff, the **Pasquino** has a mailing list of over a thousand. It is sent to parents of non-commuting students, alumni throughout the world, several hundred colleges and high schools, friends of the college, and advertisers.

The Student-Faculty Directory, published annually, is a **Pasquino** project. Each spring, the staff has a banquet with a speaker invited who is prominent in some phase of the communications professions. The dinner celebrating the Pasquino's 40th Anniversary last spring, attracted about 100 former staff members, including the first editor, Donald E. Hamill (1921-22).

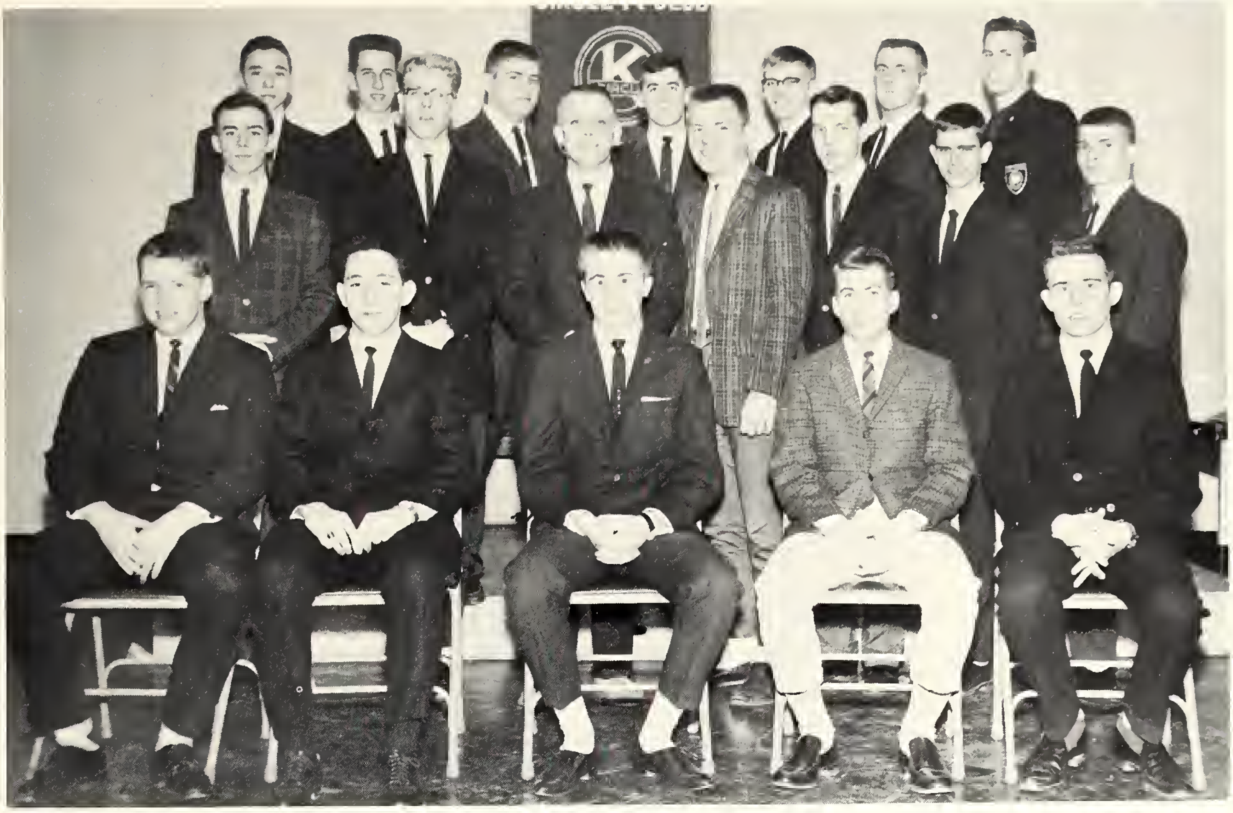
CIRCLE K CLUB

CIRCLE K



The Circle K Club of Potomac State College is a service organization dedicated to this institution and to the community of Keyser. The local Circle K Club was established in 1952 and holds Charter Six in Circle K International. The Potomac State Circle K Club is composed of college men of high character and good scholastic standing, who feel that to serve is an honor instead of a burden. The objective of Circle K International is to improve relations with the college, community, country, and God.

Major projects this year were: operating the second-hand bookstore, sponsoring the annual Homecoming Parade, continuing a campus litter project, assisting with Parent's Day, serving as host for the annual Circle K District Convention of West Virginia, aiding in the annual Blood Mobile program, continuing a recognition plaque for scholastic leaders in school, and serving as guides for various campus activities.

CHRISTIAN YOUTH FELLOWSHIP

Mr. W. Earl Michael
Sponsor

The Christian Youth Fellowship was organized on Potomac State campus in 1949. This organization strives "to bring Christian youth of Potomac State College into closer contact with the church and to deepen their devotional life through recreation and fellowship." Constructive programs are presented by the various members at the meetings which are held each Sunday evening.

The Christian Youth Fellowship co-sponsored Religious Emphasis Week and sponsored the Pre-Easter Communion and Pre-Easter worship services for Protestant students. It also participated in several campus social events.

The Newman Club is a national Catholic organization, brought to Potomac State College in the spring of 1948. Its purposes are to foster the spiritual, intellectural, and social interests of Catholic students of the college. The group is a member of the National Newman Club Federation and of the Middle Atlantic Province. The Rev. John J. O'Connell, pastor of the Church of the Assumption, Keyser, is chaplain of the club, and a faculty member of the college serves in an advisory capacity. At one of the two monthly meetings talks on religious or social subjects are given by visiting speakers.

HOME ECONOMICS CLUB

OFFICERS

President	Sue Wimer
Vice President	Sara Daugherty
Secretary-Treasurer	Margaret White

Mrs. Elizabeth Hanlin
Sponsor

The Home Economics Club began its twenty-seventh year with zeal and enthusiasm. Its purpose: to further interest in home economics and create a clearer image of the home economist, to strive for personal development, and promote good will, was put into performance.

The highlights of the activities for this year began with the sale of mums, followed by the participation in the homecoming parade with the Agriculture Club. A demonstration on the preparation of food was given by a representative from a local utility company. Members visited a display of Christmas decorations, sponsored by a local business firm. Our club joined with the State Home Economics Club in the program to interpret home economics to the high school students, and served as hostess to the Eastern Region of Future Home Economics Conference. Trips to the West Virginia Pulp and Paper Company, the Potomac State Farm, and Washington, D. C. were entertaining as well as informative. Other activities included serving as aides for receptions and attending church services each semester as a group.

Membership in the club is not limited to home economics majors, but is open to any student. This year, seven non-majors became members of the club.

AGRICULTURE CLUB

Since its beginning on the campus in 1954, the Agriculture Club has maintained its purpose of furthering the professional and social interests of the members. To become a member of the Agriculture Club, a student must major in the field of agriculture, forestry, or veterinary medicine.

Along with the Home Economics Club, the Agriculture Club entered a float in the annual Homecoming Parade. Again with the Home Economics Club, the group visited Washington, D. C. Included in the tour was a visit to the Department of Agriculture and Economics.

At the monthly meetings, agricultural films and slides were shown. At the last monthly meeting, the most outstanding sophomore agriculture student was selected on the basis of leadership ability and several other qualifying points.

WOMEN'S RESIDENCE ASSOCIATION

The Women's Residence Association, established on December 7, 1944, consists of the women living in Reynolds Hall. The purpose of this organization is to promote the amicability of the girls and to help plan the social life on campus.

Among its activities, the association decorates for the annual Homecoming, and sponsors an annual Christmas Party. The House Council, comprised of officers of the association, acts as the governing body for women. Through a social forum held twice monthly, an opportunity is given girls in residence and girls living in approved homes, to discuss and learn proper social usage for college women.

"A sport for every woman and every woman for a sport" is the motto of the Women's Athletic Association. W.A.A. was organized to popularize athletics and provide leisure time activities for Potomac State women.

The organization aims to develop standards of leadership and sportsmanship and to promote those activities which may be adapted to the leisure time of later life. Intramural games for women are bowling, volleyball, basketball, ping pong, and badminton.

The club is open to all women enrolled at Potomac State. A total of two hundred fifty points entitles a member to an emblem. These points are acquired by participation in tournaments, attending meetings and other activities. Each year W.A.A. makes corsages for mothers on Parents' Day.

ENGINEERS CLUB

The Engineers Club is a campus organization composed of Freshmen and Sophomore Engineer majors at Potomac State College. It has been in existence since 1932 and provides for the student engineer a professional atmosphere to go along with his academic life on the campus. Freshmen become members through participation in the Engineering Orientation Program. Visiting professional engineers speak to the members, industrial films are shown at the meetings, and trips are taken to industrial plants in the area. The organization's main purpose is to lend a professional atmosphere needed by student engineers as a stepping stone for association with local, state, and national Professional Engineering Societies when the student graduates in some field of engineering.

POTOMAC STATE SINGERS

Mr. Leonard Withers
Director

One of the oldest, most active, and most popular college organizations is the Potomac State Singers. This group was organized in 1926 to give students in singing an opportunity to enjoy group participation in the art. Since its beginning, the Singers' group has grown quite large, and now consists of fifty-two members.

The Singers organization is composed of a women's chorus, a men's chorus, and mixed chorus. They take part in the Religious Emphasis Week programs, and have a large part in the Annual Spring Music Festival sponsored by the Keyser Kiwanis Club. The highlight of the winter season was the presentation of a Christmas cantata which was sung before the Keyser Rotary Club and the college as the Christmas Convocation. One of the more enjoyable activities was the visit to high schools in West Virginia and Maryland this spring. To climax their year's activities, the Singers provided music for the college commencement exercises.

The Potomac State College Dance Band, under the direction of Mr. Charles Whitehill, affords the members experience in the field of dance music. Membership in this credit course is open to any student by audition. In addition to the regular music available for dance bands, this group varies its sound by using special arrangements by Mr. Whitehill and by using small combos and soloists.

The Stage Band made several appearances at school functions during the year such as the Faculty Reception, the Parent's Day Convocation and the Circle K Convention. It also appeared in two spring concerts in addition to the annual spring tour to neighboring high schools in conjunction with the Potomac State Singers.

POTOMAC STATE CONCERT BAND

The Potomac State College Concert Band is a credit course available to both men and women. Participation in the Concert Band enables students to continue their musical training. The Concert Band devotes its time to the study and performance of band literature of the highest quality.

The Concert Band, under the direction of Mr. Charles Whitehill, presented a spring concert on the college campus and also participated in the Annual Music Festival sponsored by the Keyser Kiwanis Club.

Concluding the concert season, the band played for the graduation exercises in May.

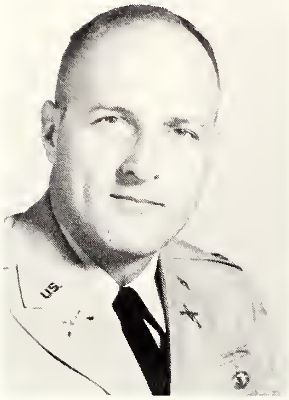
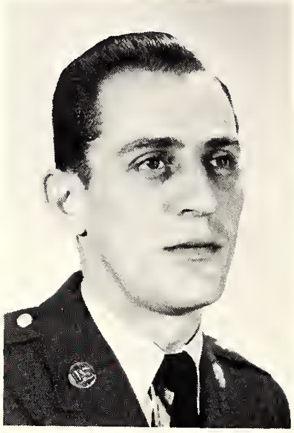
ROTH MILITARY HONORARY SOCIETY



Capt. Ernest Ackiss
Sponsor

ROTH Military Honorary Society was formed in 1953 to represent the Reserve Officers Training Corp Unit at Potomac State College. Colonel Samuel Roth, then professor of Military Science and Tactics at West Virginia University, was responsible for the ROTC Unit here at Potomac State. The organization was named in his honor.

The society's chief objective is to honor outstanding ROTC students who have demonstrated qualities of leadership and have achieved a high military and academic standing. To be invited into ROTH, a student must attain an average military science grade of "B" or better and an overall academic grade of "C" or above. The ROTH colors, red and white, are displayed in the ribbon and fourragere worn by all members in addition to the ROTC uniform.



SP5 John Golaboff
Sponsor

ROTH annually sponsors the ROTC Rifle Team, the Military Ball, the Fall Banquet, the sprink cookout, and a float in the Homecoming Parade. Also, the organization is responsible for the performance of ceremonial activities of a military nature in connection with Potomac State College activities.

MILITARY MARCHING BAND

The ROTC Marching Band is under the direction of Mr. Charles Whitehall. Band members may earn additional ROTC merits for participation and also earn college credit if they continue into the Concert Band, as most do.

The Band is most active during the fall season when it contributes much to the spirit of the school by performing at all home football games and pep rallies. The band provides the music for the ROTC noon formations. The ROTC Band participated in the Veteran's Day parade, the Homecoming parade, and the Keyser Christmas parade.

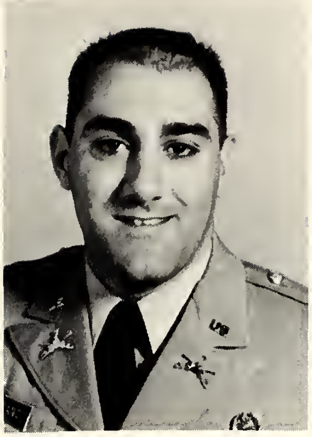
CATAMOUNT RIFLE TEAM



Capt. Paul Rofrano
Team Sponsor

The Catamount Rifle Club, sponsored by the Military Department and the Roth Honorary Society, is one of several competitive sports offered to Potomac State Students. Through its affiliation with the National Rifle Association, the team participates in the NRA sectionals, which were held this year at West Virginia University. Also through the NRA, the students have the opportunity of working as Certified Assistant Rifle Instructors at summer camps throughout the United States.

A number of returning lettermen, along with several experienced freshmen, enabled the team to compile an impressive record, which indicates that the team won over 80% of their matches this year.

Marksmanship has become an increasingly popular sport on the college campus, and this year, the team added two girls to its roster.

PANHELLENIC

Panhellenic Council, the governing forum of the Greek letter organizations, promotes good fellowship and cooperation among the fraternities and sororities, assists in maintaining **esprit de corps** and engenders within the student body high ideals of life, character and citizenship.

Eighteen elected representatives from the six social organizations meet on the second Tuesday of each month as prescribed by the group's constitution. Of primary concern was the regulating and controlling of Rush Week activities and fraternal participation in campus elections.

This year Sigma Phi Omega, the Honor Society of Potomac State College, will celebrate its fortieth birthday. Founded in 1923 to foster scholarship and campus citizenship, the organization strives to uphold the ideals of its founders. It is still a local fraternity with its own constitution, ritual, insignia, and traditions.

Each year Sigma Phi Omega makes certain traditional contributions to the campus life. As it draws its membership from all groups, it is proper that it should sponsor the two convocations honoring Potomac State organizations. This year at the KNOW YOUR ORGANIZATIONS convocation held for freshmen shortly after the opening of school, Sigma Phi Omega presented the roster of all campus leaders and described the history and objectives of the various organizations they represented. In May it again sponsored the RECOGNITION DAY CONVOCATION, where honor was bestowed upon leadership and achievement in every field of college life. The formal initiation of new members and the banquet honoring them and their parents also has an important place on the college calendar.

Members of Sigma Phi Omega recognize the honor and responsibility which membership entails, and they strive to uphold high standards of scholarship, to participate in student activities, and to co-operate with the college at all times.

ADAMAS Editor	Hilda Loy
Sergeant-at-Arms	Jodie Perrine
Chaplain	Mary Jenkins

Eta Upsilon Gamma, founded at Christian College, Columbia, Missouri, in 1901, is the oldest national junior college sorority in the National College Panhellenic. The aims of Eta Upsilon Gamma are to stimulate school spirit, to promote scholarship and achievement, and to enrich and broaden friendship.

A successful rush party in the lounge of Davis Hall with the theme "Gamma Land," started the sororities activities in the fall. In November the annual Harvest Swing, with a unique motif of a Japanese autumn, was sponsored by the Gammas and their brother fraternity, Theta Sigma Chi. In December, the Gammas exchanged gifts and were hostesses of the Christmas party given for the Thetas in the Davis Hall Lounge.

In February the members sponsored a "Welcome Back to Second Semester" dance, with proceeds going to the Biennial Conclave fund. March held another money-raising project and a party given by the Thetas.

The climax of the year was the annual Gamma-Theta spring banquet held in honor of departing sophomores.

Honors bestowed upon Eta Upsilon Gamma members during the year include: Kay Looney, Mary Jenkins, Louise Voelker, Ingrid Pearson, and Caroline Guy who served as R.O.T.C. Sponsors; Mary Jenkins, Penny Conley, Joyce Fike, Kathy Carvey, and Carol Miers were cheerleaders; Kay Looney, Louise Voelker, and Jodie Perrine held the top offices in the Women's Residence Association; and Kay Looney was crowned Queen of the Harvest Swing.

THETA SIGMA CHI

The Theta Sigma Fraternity was founded on the campus of Potomac State College in 1922. The fraternity promotes character, fellowship, scholarship, and school spirit.

Theta Sigma Chi participated in many college sponsored events; tied for the best decorated float of the Greek letter organizations in the Homecoming Parade, sponsored the Harvest Swing in co-operation with their sister sorority, conducted the election of Miss Catamount during Homecoming weekend, and received the President's Scholastic Award for the highest scholastic average of the fraternal Greek letter organizations.

The organization proudly points to the accomplishments of their men. Raymond Campbell was president of the CYF. James Rittenhour was vice president of the Circle K. James Staub was secretary of Circle K. William Bingman was honored as Secretary of West Virginia District Circle K, and also Executive Officer of Roth. Robert Baer served as President of Circle K and reigned as King of the Harvest Swing.

Other activities of the fraternity included various informal parties, a rush party and the annual picnic.

Kappa Delta Psi was founded on the campus of Potomac State College April 26, 1951. The objectives of this sorority are to further scholarship, to stimulate school spirit, to promote high moral standards, to develop a close feeling of friendship among its members and loyalty to Potomac State College.

The sorority began its 1962-63 activities with a rush party for the freshman women at the home of Miss Sue Wimer, with a Hawaiian theme, "Kappa Luau." Instead of the usual Thanksgiving basket this year, the group donated a meal ticket to a student at Keyser Elementary School. A dinner for the patroness of the sorority was held at Barton's Restaurant replacing the Christmas Party. The second semester brought with it new pledges to the sorority; several informal parties with the brother fraternity, Phi Kappa Omega; the highly successful Easter Ball; and, to climax the year, the freshman girls staged a Spring Banquet for the departing sophomore "big sisters." A highlight of the Spring Banquet was again the presentation of a check to the Alumni Foundation Scholarship Fund.

Honors bestowed upon Kappa Delta Psi members during the year include: Carolyn Castelli, Miss Catamount; Susan Sadtler, President of The Players and Vice President of Delta Psi Omega; Barbara Malone, Treasurer of Women's Resident Association; Susan Sadtler and Barbara Malone, the only female members of the Rifle Team; Constance Casto, Editor of the CATAMOUNT and elected to Sigma Phi Omega; Sue Wimer, President of the Home Economics Club and Secretary of Panhellenic; and Susan Walker, Business Manager of the PASQUINO.

The Phi Kappa Omega Fraternity was organized at Potomac State College in 1949. The fraternity works steadily to promote high scholastic standings, sound moral character, and a fraternal spirit among the members.

The men of Phi Kappa Omega point proudly to their 1962-63 achievements. Brother Louis Martino served as President of the sophomore class and Don Shaffer served as Vice-president. Jim McIntire was President of the Omni-Sci Club. C. J. Fetchero was the vice-president of the freshman class. The Kappa float won first prize in the homecoming parade for the most attractive Greek Letter entry. The Kappas also have the largest pledge class of any other fraternity on campus. The Kappa candidate for homecoming queen won and reigned over the homecoming festival.

In co-operation with the sister sorority, Kappa Delta Psi, we held the annual Easter Ball, which once again was the spotlight of the social activities on campus. Throughout the college year the Fraternity held several informal parties with their sister sorority. The year was climaxed with the annual spring banquet and picnic.

The bands which were established with the other brothers will long be remembered by us all.

SIGMA IOTA CHI

Σιγμα Ιωτα Χι

DEUS LIBERTAS LEX

Sigma Iota Chi was founded in 1903 by Captain Greer A. Duncan, and it is now the largest National Junior College Sorority in the United States. Epsilon Chapter was founded at Potomac State in 1923.

The purpose of the girls in Sigma is to perfect and participate in the true meaning of sisterhood; to forget themselves as individuals and to be mindful of others; to establish friendship and sisterly love; and to contribute to the betterment of women. A good scholastic and citizenship standing is stressed as are the responsibilities toward the college.

The rush party was held at the home of Mrs. Marie Coffman, and of the rushees, forty-three accepted Sigma bids. The members provided baskets of food for two needy families at Christmas as a local project. Sigmas also have a campus and a national project.

Miss Dolores Fitzgerald was the Sigma candidate for "Miss Catamount." Miss Ann Fulmer served as President of Panhellenic for the first semester. Miss Nancy Hamara was chosen Queen of the Christmas Ball sponsored by the Phi Sigma Nu fraternity, and Miss Jean Bonafield reigned as Queen of the Sweetheart Ball sponsored by the Sigmas.

Phi Sigma Nu, founded in 1922, has been an outstanding social fraternity on the campus of Potomac State College. The fraternity was granted a charter by the National College Panhellenic and is designated Beta Chapter.

Phi Sigma Nu began the year with a successful and entertaining pledge party during the fall "Rush Week" which netted the fraternity its potential new members. In the fall activities on the campus of the college, Phi Sigma Nu was awarded the prize for having the most original float in the Homecoming parade.

The annual and traditional Christmas Ball sponsored by the fraternity was as usual a distinguished social event on the campus, with brother John Dailey reigning as "King of Winter" with Nancy Hamara, elected by the brothers from their sister sorority, as his "Queen." In February, Brother Jerry Knight was elected to rule as "King" at the sister sorority's "Sweetheart Ball" and Jean Bonafield of Sigma Iota Chi was elected by the fraternity as the "Queen."

Phi Sigma Nu held a number of informal parties during the year, entertaining the pledges, members of Sigma Iota Chi and others. The fraternity also was well represented in all campus activities and developed a series of programs for the benefit of the members.

At the end of the year a fraternity picnic was held, and the annual banquet honoring the sophomore members of the fraternity closed out the year's activities.

Phi Sigma Nu demands high moral standards, individual development of character and leadership and scholastic achievement of its members, and encourages interest and participation in campus activities and fosters college spirit.

PHI SIGMA NU

POTOMAC STATE PLAYERS

Taking a Curtain Call.

Players, organized in 1919 on the Potomac State College campus, holds the distinction of being the oldest cultural organization at Potomac State. Whether they have been members of the National Thespian Society in high school, or are just becoming interested in dramatics, the members of Players receive training in every aspect of the theater, from acting to set construction, lighting techniques and the art of stage make-up.

This year, in addition to the annual Spring production of a three-act play, the Players presented a one-act comedy, **Hold Everything**, in the early weeks of the second semester. In contrast to the light air of their winter production, the group chose Richard Reich's **A House Without Windows**, a mystery-drama, for their three-act, Spring presentation.

Membership in Delta Psi Omega, national dramatic honorary society, is awarded each year to members of Players who have done outstanding work, and have made valuable contributions to the organization. Election to the society is not automatic, however, upon the accumulation of the one hundred points necessary for consideration; candidates must meet local and national requirements for election, as Delta Psi Omega is a fraternity which gives recognition only to members of dramatic organizations who excel in the theater.

POTOMAC STATE CATAMOUNTS FOOTBALL

1963 SEASON

Coach
Dana Lough

Coach Dana G. Lough's Catamounts completed the season with a record of 2-6 as they emerged victorious only on Homecoming Day and Parent's Day.

The Potomac State Blue and Gold started off their season by traveling to Glenville where they were defeated by the Glenville Pioneers 26-7 Catamount, Robert Lawson crossed the goal for the Potomac TD and Charles Reese converted for the extra point.

The Loughmen chalked up their second loss of the season as Chowan Junior College of Murfreesboro, N. C., defeated the Potomac Eleven in a 6-0 pigskin tally.

Shepherd College's Rams handed the Cats their third defeat as they swept over the Blue and Gold in a 27-7 battle at Staymen Field. Pat Sherman plunged over the goal for the Potomac TD while Nick Lapcevic made the extra point.

Again the Loughmen went to the road only to be defeated by Ferrum Junior College of Roanoke, Va., 13-9 in a heartbreaking gridiron tally which continued their jinx to four straight loses.

On Homecoming Day the Potomac Blue and Gold broke their losing streak by defeating Montgomery Junior College in a 20-12 tally at Staymen field. Scoring for the Cats were Bob Lawson, Harry Wilson, Bob Thorn, and Bob Diaco while Nick Lapcevic converted the extra points.

Bad luck again plagued the Loughmen as they traveled to Dover, Del., tally at Staymen Field to end the 1962 Football season.

The Cats returned home only to find that "Lady Luck" was still against them as they knuckled under to the Frostburg Bobcats in their sixth defeat of the season, 21-13.

The hard-luck Loughmen moved into the winner's circle for the second time by defeating Baltimore Junior College, 33-24 in a heated Parent's Day tally at Stayman Field to end the 1962 Football season.

BASKETBALL—1962-1963

The 1962-63 Catamount Cagers, victim of a number of close games, wound up their regular season with a record of 13-10, with one game called because of bad weather.

Overall, the Cats had a good season as six men returned to handle the ball for Coach Dana G. "Horse" Lough. Veteran Sophomores were Jim Courrier, Jim Carpenter, Dave Felton, Wayne Hawk, Stanly Kolodzieski, and Norman Pingley. Also a sophomore was Don Shields who was added to the Potomac Five for the first time.

The season began with a bang as the Loughmen defeated Altoona Junior College by an overwhelming score of 103-64 on the home court December 1. With victory in their eyes, the Loughmen met the Frostburg Bobcats only to be defeated in a 72-66 thriller. On December 8 the Cats gained revenge as they defeated Hagerstown 93-73 for their second win of the season.

With a 2-1 record the Catamounts traveled to Johnstown, Pa., to defeat the Pennsylvanians in a 66-63 tally. On December 14 the Potomac Five returned to the home court where they were victorious over Prince George College 68-65. Defeat plagued the Cats as they traveled to Frostburg, Md., to be defeated by the Bobcats in a 83-64 bout.

The jinx continued to follow the Cats as they fell victim of Montgomery College in a 94-85 tally. The loughmen ended their losing streak by meeting Catonsville College in a 105-44 romp. Returning home the Cats defeated Shepherd College in an 84-74 tally. Still on the home court the Loughmen overturned Allegheny College 87-65 on January 16 and Johnstown, for the second time, 75-61 on January 19.

With the record at 8-3 the Catamounts traveled to Altoona to fall victim to the Pennsylvanians in a 58-60 thriller. Bad luck stayed with the Catamounts as they fell to Shenandoah College as the Virginians turned them over in a close game of 83-81.

Home again on January 31 the Potomac team brought their record up by defeating Charles College 78-73 and St. Marys 79-35 on February 1. Hitting the road the Cats again defeated Hagerstown in a 90-79 tally. Bad luck struck again as the Cats traveled to Shepherdstown to be romped by the Shepherd team in a 116-69 romp.

The Cats remained on the road to defeat Allegheny 96-76 to bring their record up to 12-6. Returning home for the last time the Cats romped over Point College of Pittsburgh 75-42 in a thrilling fast-moving game.

A road trip to Dover, Del., Bainbridge, Md., and Baltimore, Md., proved disasterous to the home team. Starting the trip, the Cats fell to Wesley College 77-72 on February 14. The following day the Cats fell to Bainbridge Naval Academy 77-63. Stopping at Baltimore on February 16 the Loughmen fell victim of Baltimore College in a 82-63 bout.

The Cats returned home with a 13-9 record and awaited the arrival of Shenandoah College, February 19, but bad weather forced the game to be called.

Potomac State College basketball season came to an abrupt end at Suitland, Maryland, where Montgomery College handed the Cats a 97-89 defeat during the opening round of the Tri-State Junior College Conference Tourney and stopped the Cats bid for a third tourney title.

FINE PAPER

The Virginia pine shown above is one that has qualified as a superior seed tree after meeting certain tests in the field and in the laboratory. This is one of the first steps in obtaining certified seed for growing trees which will give quality in the same light as certified grain seeds. On the Luke Timberlands in West Virginia, extensive research is being done in Forest Management to help West Virginia land owners and timber operators to produce more and better timber from their land.
